

Scout Parent Volunteer Pledge Form

I, _____, in support of Cub Scout Pack 122 do hereby pledge to volunteer at least 6 hours of service for the 2008/09 scouting year. In support of this pledge, I recognize that:

- Parents are the primary source of leaders in the Scouting program
- I do not need to have a rich background in Scouting to volunteer
- I do need a desire to work and help young people
- I do need a willingness to make time and make a commitment
- Training and other resources are available to help me learn the goals of the program and skills needed to provide an effective, safe, and fun program to youth
- Fellow Pack members will support my efforts
- Volunteering with the Pack will be setting a good example for my Scout
- I can identify the volunteer opportunity that best fits my interests and abilities
- As a volunteer, I agree to uphold the values and ideals of Scouting
